

I missed a class Psych 11

What was covered? Good question, check out the list below find the date(s) you missed and the lesson or lessons that were covered on each date listed. Once you know the lesson number simply open that file and read through the lesson outline paying close attention to headings or text in red as red font colour is used to indicate student output required (assignment, quiz, reading, journal entry etc.) If you still need more information, check with your friends who were in attendance and if you still need more help ask Mr. Pontalti.
