

K-Pax – movie questions

NAME: \_\_\_\_\_

An enjoyable movie about a man admitted to a psychiatric facility who claims that he is an alien. Great portrayal of the relationships among patients and a dedicated psychiatrist.

Too dedicated?

At what point are boundaries crossed?

Look for Nature -Nurture Interactions as a possible explanations of Prote's behaviour. (Describe interactions below)

What is your interpretation of the ending?

If it was not an alien, what would the proper diagnosis be?

How does this support the diathesis-stress model? Explain
