About Me

- Born in Calgary Alberta, my mother is British and my father Italian. Have two brothers, one older and one younger. In my 28th year of marriage to a brilliant woman named Bonnie, we have three children, Adrianna 24 (studying geology at Acadia University and waitressing at Old Spaghetti Factory), Ruth 21 (UBC music school in Vancouver), and Joel 18 (grade 12 at KSS). I really really like it when students are engaged in the learning process: expressing a willingness and desire to learn through active participation in class assignments, discussions, attending regularly and on time, putting forth their best effort. I like to get to know my students and believe that the most important things I will teach come more from who I am more than from the curriculum I teach. It is what is caught not what is taught that lasts. Teaching at Mount Boucherie since 2003
 - Psychology, Outdoor Education, Small Engine mechanics, Automotive mechanics, Metal work, Art metal, Planning, First nations 12
 - Graduated from University of Alberta with a B.Ed. with a major in Technology studies and a minor in Physical education. Favorite courses were cyber philosophy, interpersonal skills for teaching, and theology for teaching. Interprovincial Red Seal licensed automotive mechanic.
 - Certified Arborist with the National Arborist Association, Certified Red Cross Wilderness First Aid Instructor, Certified Paddle Canada Level 2 Sea Kayak Instructor. Certified Zany teacher!
 - Food Likes: Marmite on toast, high quality chocolate, a garden fresh salad, sushi.
 - Love gifts from students, hint see line above.
